

Favourite memories

My childhood favourite memories were of the Nanson Show at the old Nanson Hall.

One of my adult favourite memories was Laurie Connell's sponsorship of Ring Events with best riders in Australia attending.

Also, Sir Charles Court opening show, bringing Queensland Premier Sir Johannes Bjelke-Petersen.

Another memory was of the Nabawa flood which went through Hansell Gray's house and washed away with the Chapman Valley Agricultural Societies records.

I exhibited in the sheep and wool sections for many years.

I held position of Treasurer from 1964 to 1985 and position of Patron for a short while.

The show is very professional nowadays.
