

### **Memories of Chapman Valley Show**

Memories of Ron O'Neill's time as President of the Chapman Valley Agricultural Society Inc. from 1998 to 2005 –

My first year coincided with 50th anniversary and we put on a successful ball. Rural Ambassador was introduced.

New dining room was built, after old one condemned.

Huge effort as all done with voluntary labour, with generous help from the Shire.

After six years I decided to step down as younger people were showing interest in the Agricultural Society, and I wanted to encourage their participation.

Ron O'Neill
